No Foreign Holders

Under the terms of this dissolution and the formation of the new company any resident alien enemy who is a stock holder in the present company will no become a stockholder in the new company. Not only this, but the possibility of an American citizen securing such stock and holding it in trust for the period of the war is avoided. Should such an action be detected during the ends the stock would be fortest, either to the government or to the company as the case might be.

It will be noticed, too, that the restriction against foreign ownership of stock applies not alone to enemy aliens but to all non-citizens. Citizenship is made a prerequisite for ownership of or interest in the shares of the new ompany.
